

Recently **CISCO Executive Chairman John Chambers** announced that it will commence manufacturing in Pune, India. "...We are committed to Pune. We view this as a set of strategic initiatives which together produces outcomes... We see India leading as a fast innovation leader. ...We have already had a conference with 93 global suppliers in India to lay the groundwork what digital manufacturing means, what we expect out of our supply chain...it's a pull through effect," Chambers said.

Government bigwigs including Mr. Devendra Fadnavis, CM Maharashtra; Mr. Girish Bapat, District Guardian Minister; Mr. S Chockalingam, Pune Divisional Commissioner; Mr. Saurabh Rao, Pune Collector; Mr. V. Seshagiri Rao, Commissioner of Customs; Mr. Kunal Kumar, Pune Municipal Commissioner appreciated the contents of PROLIFIC PUNE.

Mr. P.Srinivas US Commercial Service Officer and Mr. Ashwani Jotshi, Dy. ED Automotive Component Manufacturers' Association and several industry head honchos endorsed it as a well conceived trade guide for Pune.
